Mr. Keigwin and Ms. Vogel,

Please find attached the Natural Resources Defense Council's petition to revoke all tolerances for neonicotinoid insecticides, pursuant to the Food, Drug, and Cosmetic Act, 21 U.S.C. § 346a(d)(1)(A). Also attached is a supplemental letter containing NRDC's request for a waiver of all fees associated with this petition. NRDC's petition was originally submitted to the following registration review dockets: Imidacloprid (EPA-HQ-OPP-2008-0844), Thiamethoxam (EPA-HQ-OPP-2011-0581), Clothianidin (EPA-HQ-OPP-2011-0865), Acetamiprid (EPA-HQ-OPP-2012-0329), and Dinotefuran (EPA-HQ-OPP-2011-0920). A copy of each document has also been sent, via certified mail, to the Office of Pesticide Programs (7510P), 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001. Please contact me with any questions or concerns regarding NRDC's petition or fee waiver request. NRDC looks forward to your response to its petition.
